Dear Parishioners and Friends,

Welcome to the Assumption Greek Orthodox Church's GreekFest 2016.

It has been said that though God created life, He left it up to the Greeks to show us how to live it! To the Greeks of old and today, living and celebrating life means: to remember and honor the past; to rejoice in the fact that life is a gift from God; that as a gift we must strive to excel in all things; and that this life, with its joys and sorrows, be lived and celebrated in preparation and anticipation of the life to come.

Greeks have a love and passion for life and all that encompasses it. You will see this in the beauty of our Greek Orthodox faith and worship. You will be embraced by it in our music and dances. You will taste it in our traditional food and drink. This is what GreekFest 2016 is all about.

Pray with us. Speak with us. Eat and drink with us. Sing and dance with us. You are invited to share in the celebration of our ancient heritage, and the 88th anniversary of our Assumption Church. We are your hosts. As human beings we share a common existence, but this weekend we welcome you into our family and together let us live as Greeks, the people who celebrate life! Rejoice!

In Christ,
Fr. Michael Varlamos
and your Assumption Church Family
